WARBURG BLOOMIN' BUDDIES

Summer 2018

Hello everyone in and around our beautiful bloomin' Village of Warburg. Many of you have been working hard in your yards and on your homes and businesses. We want you to know that we do notice. Thank you!

We have received soooo many **positive comments** on how great the Village looks. Thank you to all the Bloomin' Buddies and friends who helped to make the flowers happen for the 11th year. This year we chose George and Wanda Broadbent's favourite colour from the Vista Series, "Bubblegum" and mixed in some "Fuchsia". Thank you to Jeanne Szepesi for planting the beautiful Lilies in front of the Village Office and beside LRT. They are the Village flowers!

Flowers do make a community look beautiful. So does the **mowing of grass, keeping weeds sprayed,** and nice **curb appeal** at businesses and homes. This builds pride and tells others that we care. If you are doing these things, you deserve a tip of the hat and a huge thank you..

WE HAVE NOTICED!

Warburg Village Market – Your store is clean, bright both inside and out and the outside tables & chairs are such a great addition! Congratulations!

Warburg Legion Cenotaph – Flower pots, trees and fence were added! Great improvement! Looking good!

VOW Spray Park and RV Park – Everyone is looking forward to seeing these amenities open!

The new **VOW Concrete Benches** - More appear in our community every Spring! Great for all of us "maturing" folk and for those who just want to rest or meditate! Can never have too many benches! They say "Come, stay and sit awhile." Love them!

We noticed the new porch and steps at **"Warburg Corner Restaurant."** Looks great guys!

What else is new?

At the July 9 Council meeting, on behalf of the Warburg Bloomin' Buddies, we requested that consideration be given to having the road allowance between 52 Ave and 50 Ave running along the East side of the St. Charles Roman Catholic Cemetery, to be designated as a permanent **Canopy Walkway** and to be preserved for future generations.

Council responded very positively. Phyllis Schnick brought beautiful photos of the pathway that had been taken over all the seasons. WBB member, Art Dear, wrote a letter, making some great points and he drew up a proposed pathway that would connect to the Canopy Walkway and go all around the Village. Please see Village of Warburg website www.warburg.ca (Warburg Bloomin' Buddies). Please contact the Village, 780 848 2841 or myself, Linda McLaughlin, 780 848 2916 if you would like to head this committee and/or be on it, so the planning can go forward. What a legacy this will be to leave for future generations.

At our WBB meeting on May 14, 2018, we discussed the long overdue planting of a memorial tree for Kevin Boucher. We just haven't been able to find the right spot.

The idea of "George Broadbent Memorial Park" had come up. It was suggested that the park could be planned as a place for memorial trees, benches, statues etc. Please see Warburg website for more info. We need a group of interested people to come together to plan this. Please contact Linda or the Village of Warburg.

Also discussed was the pruning of the 260 boulevard trees. Council asked for an updated quote for consideration for the 2019 budget. Linda McLaughlin agreed to do this.

It takes a whole Village to make this the most beautiful little community around!

LET'S KEEP MOVING FORWARD! LET'S MAKE IT HAPPEN! LET'S DO IT TOGETHER! Happy Summer everyone!!!

WARBURG CULTURAL CENTRE

2018 Newsletter

We have so much to be grateful for this past year!

We would like to thank all those that have been involved in any way, shape or form with the work and/or fundraising for the Warburg Cultural Centre renovations. We would especially like to thank **Gene Begg** for his generous donation that came just in the nick of time and allowed us to move forward. We also received funding from **Enabling Accessibility and New Horizons for Seniors**.

Thank you to **Veronica Hakstol** for her donation of the bench you will see in the foyer of the Cultural Centre and for her cash donation. We are working on getting **Charitable Designation** which will allow us to give tax deductible receipts for any donations. Unfortunately this is quite a long process.

We are very excited about having **completed the following projects**:

Coatroom/Office

Handicap Bathroom & little hallway. (Hallway flooring will be completed when main hall flooring is done.)

Entrance, except for ramp and rail. (Rails are being created and worked on by Gerry Hess)

Art Room and most exciting...THE KITCHEN IS COMPLETE!!! YAY!!!

We will be having a **Mini Grand Opening** on Saturday, September 15, 2018, from 1:00 pm to 4:00 pm. Note* These times may change. We would like to invite the public to see what has been done and to share in some refreshments and appetizers. We are hoping the local business people and dignitaries will be present as well. We will invite the contractors who worked so hard and did such a great job to bring our facility to this stage. If you like what you see, get their business cards and talk to them. Information about the Cultural Centre will be given to everyone and you will have a chance to put your name in for a great draw. Follow us on Facebook & in FCSS newsletter. Watch for our new website coming soon warburgculturalsociety.com

Our **Wine Tastings and Spirit Tasting** were very successful this past season and were all sold out. We will continue them for another season and maybe add a Beer Tasting event. We will be booking other Cultural entertainment for the winter months.

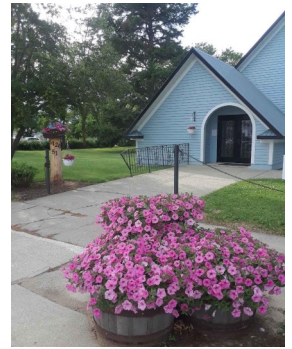

Our **Cod Gone Wild** fundraiser had great reviews! We appreciated any suggestions made and will consider them for future events. We made approximately \$4500.00. See thank you list on Facebook/FCSS/Bugle/Booster & Target.

Thank you to "The Sew Heavenly Quilters" and "Busy Brushes" groups for continuing to use our facility.

We will continue to **apply for grants** to complete the men's and ladies' bathrooms, the ramps, flooring and interior painting and repair in main hall. Yes, we are still looking for donations and support in any way!

Special warm welcome to our new **Board Members**: Terri Syniak, Dennis & Pat Bancarz and Russ & Janette Barager. Thank you for your willingness to serve.
