Spray Park Update

Residents saw a buzzing of construction activity in August! The contractor has advised us that the equipment will be in place the first week in October, so will be fully operational for the start of summer next year. Our apologies that due to unforeseen circumstances the Spray park was not completed for this summer , fingers crossed that the Summer of 2019 will be just as beautiful as this summer was.

Council Notes

August Council Notes- Complete Minutes are available on our Website once approved at the next month's council meeting.

Doctor Attraction Committee:

Councillor Dwayne Mayr was appointed by Council to represent the Village of Warburg on the Doctor Attraction Committee, in partnership with the Town of Thorsby.

Capital Power Offer of Funding for Trees

Once, again, Capital Power will be funding \$10,000 for larger trees for the Village of Warburg. Council discussed the various types of trees and that they will be planted at the RV Park along 48th Street. Watch for Tree Planting Day details coming soon!

Subdivision for Part of Lot 7 Block 11 Plan 2152 NY

Council approved the subdivision request to subdivide approximately 5m of land off the west side of Lot 7 and add the 5m to Lot 12, Block 11, Plan 2152 NY per the request from Mr. Ken Meyer.

Consulting Agreement:

Council approved the Consulting Agreement with Leduc-Nisku Economic Development Association with amendments. A Coal Transition Grant has been received , and an Economic Development Officer will begin working with us in the coming weeks.

Garage 5011-50 Avenue

Council moved to approve the change to the site plan on Building Permit 10/16 for the construction of the garage from the south side of the property to the north side of the property.

Seventh Day Adventist Church

Council granted the Seventh Day Adventist Church until January 31, 2019 to remove the sea-cans from the church property as it is anticipated that the church renovations and upgrades will be complete by that time.

RV at Arena

Council approved the request of one of the contractors to live in his RV at the arena work site during the Arena Upgrades.

Village Staff Changes

The Village of Warburg welcomes Dave Kuerbis to our staff. Dave will be joining Rob in Public Works. Dave is a long-time resident of Warburg and we look forward to working together with him. Tasha is cutting back her hours in the office but will be continuing as Recreation Coordinator. We are currently interviewing for a part-time office position. Thank you to our Summer students Nathan Drysdale and Rebecca Mudry as well as our casual summer staff for all of your hard work this summer. The Village looks beautiful and the children had a lot of fun. We wish you all the best in your upcoming school year. We would also like to send our best wishes to Jessica Hagel , as she began the summer working for us, and unfortunately had to leave due to a personal injury. We wish you a speedy recovery.

Council Meetings- Public is welcome and encouraged to attend!

The next Regular meeting of Council is September 10, 2018. Please note: All documents and notice of delegation intended to be submitted to the Council must be received by the CAO not later than 4:30 p.m. on the **Monday** of the week prior to the meeting.

Intermunicipal Collaboration Frameworks & Intermunicipal Development Plans Project

Project Description

The Alberta Government Regulates the operations of all municipalities through the requirements of the Municipal Government Act (MGA). There have been recent amendments to the MGA which now require all municipalities that share a common boundary to prepare Intermunicipal Collaboration Frameworks (ICFs) and Intermunicipal Development Plans (IDPs).

The purpose of these Plans is to collaboratively plan and support sustainable development and service delivery to residents of Alberta municipalities.

A collaborative initiative is being undertaken by Leduc County and the Towns of Calmar, Thorsby and the Village of Warburg to respond to these new provincial requirements to prepare ICFs and IDPs

An ICF and IDP will be prepared between Leduc County and the Town of Calmar, between Leduc County and the Town of Thorsby and between Leduc County and the Village of Warburg.

The communities of Calmar, Thorsby, Warburg, and Leduc County have retained Stantec Consulting Ltd. to assist with the preparation of these plans.

What is an ICF?

An Intermunicipal Collaboration Framework (ICF) is a tool to facilitate cooperation between neighbouring municipalities to ensure municipal services are provided to residents efficiently and cost effectively.

ICFs reinforce existing collaborations and formalizes a process for municipalities to work together.

Five specific service areas; transportation, water and wastewater, solid waste, emergency services and recreation must be included in an ICF, plus any other deemed of benefit to the municipalities involved. ICFs must also contain an agreed to dispute resolution process to manage disputes that arise regarding the delivery and cost sharing of services after the ICF has been adopted. All municipalities party to the ICF must also have an Intermunicipal Development Plan (IDP) that is compliant with the new MGA requirements.

What is an IDP?

An Intermunicipal Development Plan (IDP) is a collaborative land use planning process for identified lands of mutual interest between two or more municipalities. This specific initiative is to prepare IDPs between Leduc County and the Town of Calmar, between Leduc County and the Town of Thorsby and between Leduc County and the Village of Warburg.

IDPs ensure that desired long-term growth and development looking beyond 20+ years is not compromised by land use and development decisions made today or by future municipal councils. It also provides assurance to residents that live within the Plan area of future development plans. Both municipalities must agree to the policy direction put forward in the IDP and both municipalities must abide by the IDP. The IDP includes a dispute resolution process for disagreements on whether proposed land use and development proposals are consistent with the agreed to policies in the IDP.

Opportunity for Public Input

Public engagement is important to the development of these plans. Announcements of opportunities for public input will be posted here.
