Greenland Garden Centre, Sherwood Park

It's been over five decades since Greenland was first established in 1961, a year round destination for gardening, home & garden décor, clothing and so much more. A café is open on site with a full menu, Branches Café Fresh Food Experience. In late October our greenhouse transforms into a wintry wonderland filled with Western Canada's largest selection of Christmas decor and collectibles. With over 50 exquisitely decorated trees, an amazing selection of wreaths, garlands, florals, ornaments & trees, Greenland is your one stop Christmas store.

Salisbury Greenhouse, Sherwood Park

One of Alberta's largest full-service garden centres, a third-generation family business that has proudly served the Edmonton area since 1965. Open 12 months a year, we grow our own annuals, veggies, herbs, and most of our perennials on over four acres of greenhouse space. We have one of the largest selections of Christmas and holiday decor in Western Canada. Browse through our themed displays with 38 decorated trees to delight and inspire you.

Canadian Tire Magic of Lights - Castrol Raceway, Edmonton

The Canadian Tire Magic of Lights is 2 kilometers of festive LED lighted displays celebrating the joy of the holidays. A "drive through" from the comfort of your own car. At every turn, and in every direction, the magical route is overflowing with spectacular light displays and animations. Multiple holiday themes come to life with hundreds of thousands of sparkling lights! A portion of proceeds from every vehicle goes to support 630 CHED Santas Anonymous and Canadian Tire Jump Start.

Community Standards Bylaw Information

Newsletter Date

Why?

These Community Standards will help residents and property owners understand their responsibilities in keeping Warburg a safe and clean community. The Community Standards Bylaw identifies clear expectations regarding acceptable property maintenance standards, boulevard and sidewalk maintenance, noise levels and public behavior.

Who?

Warburg Bylaw Enforcement Officers and the Royal Canadian Mounted Police enforce bylaws. Most cases involving unsightly premises and other property offences are usually handled by the Bylaw Enforcement Officers.

As a responsible citizen of the Warburg community, you are expected to uphold the bylaw. Noncompliance may result in a fine from \$57-\$1,000 and for more serious offences, up to \$10,000

Your Home and Yard

Lawns & Weed Control

Maintaining a healthy lawn can help keep weeds in check.

Keep grass cut lower than 15 cm (6 in.) on yards, boulevards and back lanes.

Leave grass clippings on your lawn as you mow. They will decompose and add nutrient to your lawn.

Preventing and controlling weeds is an important part of building healthy looking communities that everyone can enjoy.

The Alberta Weed Control Act requires property owners to control the growth of noxious weeds and destroy any prohibited noxious weeds on their property.

Remove noxious weeds by hand, mow or spray before they go to seed including Canada thistle, mayweed, scentless chamomile and hoary cress.

Sidewalk Snow Removal

Maintain any sidewalk adjoining and adjacent to your property to keep everyone safe.

Clear any dangerous condition caused by snow or ice within 48 hours from which the dangerous condition was formed.

Where ice builds, apply sand or salt until sidewalks are safe. Failure to remove snow or ice could result in a fine and clean-up costs.

Become a Snow Angel: Being a Snow Angel encourages Warburg residents to be good neighbors and help seniors and other neighbors in need with snow removal. For more information call 780-848-2841

Trees and Shrubs

Check your property and be sure that trees or shrubs are not blocking pedestrians or traffic, or hanging over sidewalks, alleyways or streets. Prune branches to a clearance trees height of 2.4 m (12 ft) above a road or alleyway and 1.2 m (8 ft) above a sidewalk.

Residents are responsible to care for their property, boulevard and alleyway.

If you have questions, please contact the Village Office.

Outdoor Fires

Fire pits must have a minimum of 3 meters clearance from the nearest building, property line or nearest combustible material.

Burn only non-treated clean wood, logs and branches.

Be a good neighbor, limit smoke and noise and consider the wind conditions when burning.

For full Warburg Bylaw #50/01 go to www.villageofwarburg.com

Always have a fire extinguisher or water source close by in case you need to extinguish your fire quickly.

Responsible Pet Ownership

Key ways to keeping you pet safe:

- Ensure you obtain a yearly pet license*
- Spay or neuter your pet*
- Provide training, socialization, proper diet and appropriate medical care*

- Keep your pet in your yard or on a leash while going for a walk.*
- Please pick up after your animal. Bags are provided at the time of licensing your dog*

Garbage & Blue Bag Recycling

Sorting recyclables will help our community achieve our 60% waste diversion target.

Your blue bags and waste cart are all you need to participate in curbside collection.

Use only the waste bins that have been provided.

Keep waste bins closed at all times except when loading and unloading.

- Take cart or blue recycling bags out to curbside at 7:00 a.m. on pickup day and back to your yard by 7:00 p.m.

Ensure that there is 1m clearance on all sides of the cart including above it.

Contact the Village at 780-848-2841 if your bin has been damaged and requires replacement.

Compost Piles: Owners or occupiers of a premises must ensure that a composting pile or container is maintained so that it does not become a nuisance by creating offensive odors or attracting pests.

NOISE

- Noise that is reasonable likely to disturb your neighbors may be in violation of the Community Standards Bylaw.
- Be respectful and only run loud equipment between the hours of 7 a.m. and 11 p.m. on weekdays and 8 a.m. and 11 p.m. on weekends.
- Consider when and for how long you make loud noise. All residents are entitled to quiet.

Recreation Vehicles

Learn the Village's rules for parking RVs on the street beside your residence.

RVs cannot be parked more than 24 consecutive hours on the street.

RVs may be parked on the front driveway as long as they do not overhang or extend onto the street, curb, boulevard or sidewalk.

Parking unattached trailers on Village streets is strictly prohibited.

RVs cannot be occupied as temporary dwellings on public or private property.

- Keep your property clean and uncluttered, and carry out general maintenance.
- Maintain buildings on your property. Physical deterioration or significant damages may create dangerous conditions.
- Clean up garbage and debris such as construction materials, broken furniture, vehicle parts or tires. Excessive waste is unsightly, attracts pests and poses health risks.
- Dispose of large items or old appliances such as fridges or stoves at the Sunnybrook Transfer Station.. Purchase a transfer station card at the Village Office for \$15.00. Each residence will receive one transfer station card free of charge, to be picked up the week prior to the long weekend in the Spring (May) and Fall (October) for clean up.
