A CHRISTMAS TO REMEMBER

Warburg Cultural Centre, Dec 25, 2019

By Linda McLaughlin

The sparkling snow, the life size nativity scene and the sound of Christmas Carols playing from the steeple on Christmas Day made this event worthy of a Hallmark movie or a setting for a vintage Christmas card.

Approximately 150 people streamed through the wreath clad doors and into the Warburg Cultural Centre. The energy in the air was filled with excitement, love and anticipation. Everyone was warmly welcomed by greeters and each given a Christmas Cracker and a paper worm for the fishpond. Some brought games to play. A table full of colouring books, crayons and more was set up for the kids to help themselves to. People greeted those they knew and introduced themselves to those they didn't. All were wearing smiles. They were anticipating the experience of what can only be described as a magical old time Country Christmas.

This medium sized facility was set for 156 and beautifully decorated for Christmas complete with wreaths; a Christmas tree and garlands. Each table had twinkling light centre pieces. Each window had a lit snowflake, a berry wreath and a candle! The ambience was one of warmth and emitted energy of feeling welcome and belonging.

Many enthusiastic volunteers helped to make this event happen. Everything was donated both locally and as far as Leduc and Edmonton: turkeys, hams, carrots, potatoes, desserts, stuffing ingredients. Cash donations were used for purchasing the rest.

Thank you is just not enough to say to all these people!

Special thanks to Ethan Cameron & Jan Scott for being our Key Kitchen people and for donating all the Christmas Crackers & stuffing ingredients. To Sasha McLaughlin for all her help and for MCing the event. To Art & Donna Dear for carrots and cookies. Bert Goutbeck (Bert's Tire Service Edm) for potatoes. Eric & Patty Lindstrom for all the amazing baking. Also thank-you to all those anonymous cash donators. We were able to break even because of all of you! If there is any left-over cash, it will be put into kitchen items that are needed i.e. large colander, more serving spoons.

This truly was a **Christmas to Remember!** It is over for another year, but let's promise each other to keep the wonderful spirit of love and caring going all year!! Be kind to one another. There is always someone who needs it. Chances are they will pass it on. This could be the best year ever! Love and Hugs to all!

HAPPY NEW YEAR TO EVERYONE!

Play for Success: It's all fun and games

Remember when “play” was considered a waste of time and a distraction from “real” learning? We now know that play builds brains and is the primary pathway to healthy child development and well-being. Join us in understanding how strong relationships and playful activities support learning and set children up for success. Learn about the resources on the “Building Brains” website where you’ll find take away activities, and contact information for additional support.

Dr. Gibb, mother of 2 and grandmother of 7, is a highly regarded expert in the field of brain development in the early years. She links the science of brain to what that looks like in your home or at your early childhood program. Dr. Gibb is an Associate Professor in the Department of Neuroscience at the University of Lethbridge.
