## MAKING SENSE OF ANXIETY

*Parent Education Workshop*

The increasing level of anxiety in children has many parents and caregivers looking for an explanation as well as a solution. In the Making Sense of Anxiety workshop, Dr. Gordon Neufeld sheds light on this topic, and discusses various ways anxiety can show up in children, including obsessions, compulsions, agitation, adrenalin-seeking and self-harming behaviours. The workshop will focus on understanding the root causes of anxiety in children and on natural interventions that go beyond symptom management and open the door to lasting change. This workshop is focused on children, but the concepts discussed apply to all ages.

This is a four week registered workshop that will be held virtually (online) through a secure video meeting platform. It includes four online sessions of video material along with interactive workshop activities and will be facilitated by a social worker. Participation requires internet access by computer, laptop or smartphone. If you are a two-parent family, we encourage both parents to attend the sessions if possible.

## Alpha Children

*Parent Education Workshop*

Alpha children are often described as bossy, prescriptive and controlling, demanding, competitive and can be labelled as a bully. Alpha children are not only more challenging to parent, but also predisposed to a number of problems including anxiety, aggression, oppositionality and eating problems. The root of the problem - the alpha dynamic - is one of the least known and yet most impactful factors in a relationship. While the focus of the workshop is on children, the revelations and challenges are for us as adults.

This is a four week registered workshop that will be held virtually (online) through a secure video meeting platform. It includes four online sessions of video material along with interactive workshop activities and will be facilitated by a social worker. Participation requires internet access by computer, laptop or smartphone. If you are a two-parent family, we encourage both parents to attend the sessions if possible.

## Breaking Loneliness

*Online Documentary Film Screening*

"Breaking Loneliness" is a documentary by filmmaker Brandy Yanchyk about people finding ways to escape loneliness and social isolation. Loneliness is a social epidemic that is impacting all age groups around the world. Although most of us are connected on social media, we have never felt more alone. Many of us find ourselves isolated from our communities and feeling lonely. In this documentary we follow four people: John Chief Moon, Jace Laing-Schroeder, Tom Greyson and Julie Kraychy — all who have worked to overcome their own loneliness and social isolation and are now helping others to battle theirs. Join us for a free online screening of the film, a short presentation and Q & A with the filmmaker.

This is a registered session that will be held virtually (online) through a secure video meeting platform. Participation requires internet access by computer, laptop or smartphone. This program is open to residents of Calmar, Thorsby, Warburg, New Sarepta and rural Leduc County.

Date: **Thursday, October 15**  
Time: **1:30 – 3:30 p.m.**  
Location: **online**

# FROM THE WARBURG CULTURAL CENTRE

We have our winners for our beef raffle!

1st Prize (1/2 beef) - Elizabeth Szepesy from Warburg! (she has generously offered to split her winnings with another winner, so Dale Broadbent was drawn! He will be giving the beef to his parents).

2nd Prize (1/4 beef) - Jeff Brodhagen from Beaumont

3rd Prize (1/4 beef) - Debbie Kadish from Thorsby

We would like to thank everyone who helped with the raffle in any way: Prima Dairy farms for donating a young Black Agnus. Ranchland Meats for donating the cutting and wrapping, and Al Gilchrist for donating half the cost of his services. Candice Prins needs a special pat on the back for all of the work she did to make this raffle successful. We also thank Warburg Village Market and Ranchland Meats for selling tickets for us. We raised roughly \$8000!

Thanks to all who bought tickets for this raffle. The money is helping keep the Cultural Centre going. Whatever is left from any of our fundraisers will go to maintenance and repairs of some water issues in the basement and to paying for the trees to be removed from our newly acquired property in behind the Cultural Centre.

Please check our Facebook page and our website for upcoming information on our monthly 50/50's. (your odds will be much better than the Oilers 50/50!)

*Note: WCS is able to supply Charitable receipts for income tax purposes for any donations.*
