Senior's Appreciation Lunch a Success!

Thanks to the absolutely amazing work of a small crew of organized, caring and loyal volunteers, 136 curbside lunches were prepared, boxed, and handed to our local seniors! Thanks to Capital Power and the Village Market for ensuring we could offer this lunch! We are also humbled by the dedication of our helpers, Kevin and Helen, Joan and Brett, Mel and Darlene, Shawna, Lonnie and students Liam Crooks and Shayla Reesik from Warburg School. It was truly our honor to be able to serve our wonderful community seniors, and look forward to doing so in person in 2022!

Callout: Residents of the George Spady wing are looking for old magazines for crafts!!! If you have a few kicking around, please drop them off with FCSS at the Village Office and we will make sure they get to the crafters!!!!

Join Leduc County July 10th from 2:00 – 4:00 p.m. out at Jubilee Lake Day Use Area for a live concert! This event will feature musician Cody Mack and will also include activities from Leduc County's Family Resource Network and educational resources from the Wizard Lake Watershed and Lake Association. Making Sense of Anxiety

Online program

The increasing level of anxiety in children has many parents and caregivers looking for an explanation as well as a solution. In the Making Sense of Anxiety workshop, Dr. Gordon Neufeld sheds light on this topic, and discusses various ways anxiety can show up in children, including obsessions, compulsions, agitation, adrenalin-seeking and self-harming behaviours.

The workshop will focus on understanding the root causes of anxiety in children and natural interventions that go beyond symptom management and open the door to lasting change. This workshop is focused on children, but the concepts discussed apply to all ages.

This is a registered workshop that will be held online through a secure video meeting platform. It includes four online sessions of video material along with interactive workshop activities and will be facilitated by a registered social worker. If you are a two-parent family, we encourage both parents to attend the sessions if possible.

The Alberta Jobs Now Program will provide up to \$370 million to help private and non-profit businesses with job supports to get thousands of Albertans back to work. Employers can apply for funding to offset the cost of hiring and training unemployed or underemployed Albertans in a new or vacant position. This Federal-Provincial investment is the largest job training program in Alberta's history. It will support our Province's recovery, help businesses re-open or grow their workforce, and give Albertans an opportunity to gain the skills they need in today's job market.

Employers will be able to apply for a grant that covers 25% of an employee's salary for a 52 week period up to a maximum of \$25,000 per employee. The grant can be used to cover salary or training costs. Employers who hire persons with disabilities will receive a grant 1.5 times higher than the amount they would receive for other new employees.
