WE WANT TO THANK YOU!!!

On Saturday, April 30th, Warburg FCSS was honoured to host our Volunteer Appreciation Banquet, live and in person for the first time in THREE YEARS! We would like to personally thank our Advisory Board members for their amazing job in planning, decorating, and supporting the event. A shout out to our Village Public Works, CAO Chris Pankewitz, and Councillor Cody Henderson for setting up the tables to ensure that the 130+ attendees would have the perfect view of the evening. Of course, the event would not be possible at all without the support of our donors this year. We extend a HUGE thank you to the following businesses/organizations:

- Capital Power

- Smart Start Childcare

- Volunteer Alberta/Government of Alberta

- Air Liquide Drayton Valley

- Leduc Canadian Tire

- Village of Warburg

- Thorsby Fish and Game Association

- Leduc County FCSS

- Warburg Pioneer Agricultural Society

- Warburg Hotel and Pub

- Warburg Car/Truck Wash and Bottle Depot.

- Warburg Village Market

Last, but most definitely not least, our Community wouldn't have it's events, extra curriculars, or identity without our amazing Volunteers! April 30th we were able to recognize the past 3 years of Volunteer of the Year award winners; for our Community Volunteers: 2020—KAYLA DAVIS, 2021—BRETT HALL, 2022—JOAN HALL. For our Senior Volunteers: 2020—LINDA MCLAUGHLIN, 2021—RON & HELEN SPASOFF, 2022—SUSIE SZEPESEI. And, for our Youth Volunteers, 2020— MACKENZIE DANCAUSE, 2021—TANDA GARRETT, AND 2022—LIAM CROOKS. Congratulations to ALL of our award recipients, we salute you!!!

Please join us in expressing our gratitude for our Public Works Department in the Village of Warburg. Without the dedication and experience of DAVID KUERBIS and ROBERT TESSIER we would not have the grated roads in the winter, the mowed and manicured green spaces in the Community, various infrastructure maintenance and additions, and they also do a TON of the behind-the-scenes heavy lifting for our various community events. Warburg wouldn't be the beautiful community it is without the hard work and strong hands of Rob and Dave. If you see them around the Village, please do stop them and tell them how much they're appreciated!!!!

WELCOME TO WARBURG, WEST OF THE FIFTH!

Our Story

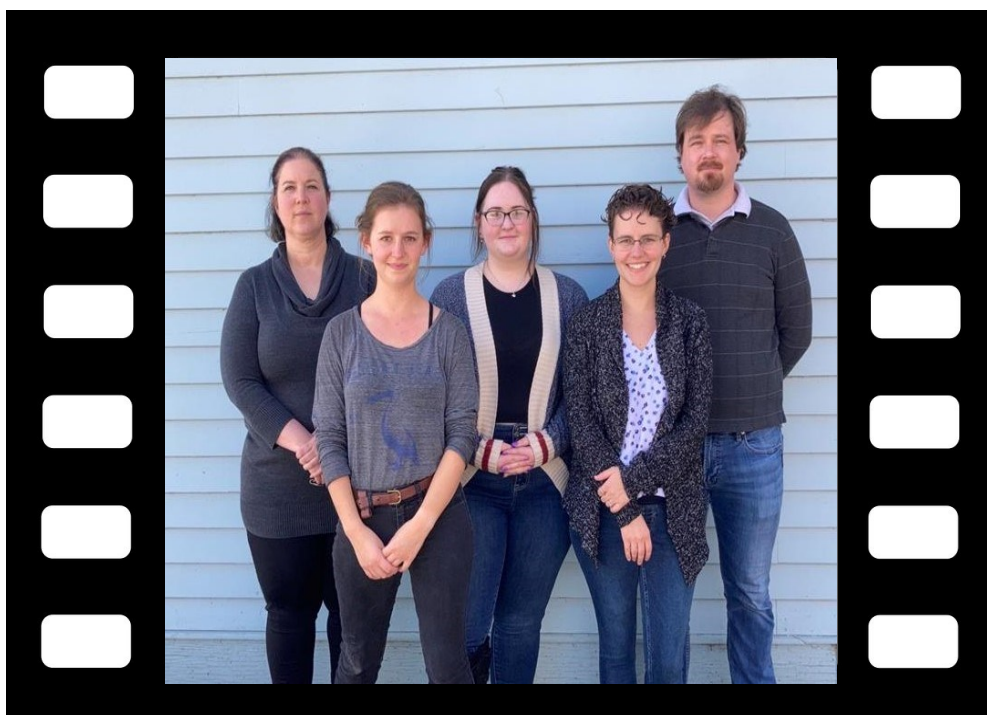

Though they come from different academic backgrounds, partners of the firm, Linnée and Clayton both enjoy a good debate and a challenge - something law school happily provided. After meeting during their first semester of law school the two quickly became friends and within a few months started dating. They got engaged during their articles, and recently celebrated the birth of their first child, Ophelia.

The idea of West of the Fifth came to be during their second year of law school when both lawyers realized that the big firm, busy life in the city lifestyle wasn't for them. A small town firm that served the local community quickly became their model. They wanted a firm that was flexible and innovative while still providing quality service- it was simply a matter of where. Clayton graduated from Breton High School in 2006, and his parents are still active members of the community. So while there were many places to choose from across Alberta, there's nowhere quite like home.

As a rural firm, Linnée and Clayton wanted to cover as many areas of law as possible. Right now, they offer a variety of barrister and solicitor services - including family and criminal law, estate planning and administration, as well as real estate and civil litigation. Independent legal advice and consultations are also offered if you're not quite sure where you fall on the legal spectrum. Understanding the remoteness of these small towns, Linnée and Clayton are also available for appointments in Pigeon Lake and Sangudo, with the option to do house calls and online intakes. Due to the small nature of the firm, meetings are by appointment only.

Shortly after opening in Summer 2020, West of the Fifth got a lot busier than initially anticipated. The firm brought on Sierra- a recent UBC alumni and sister to Linnée - as Legal Assistant and later Paralegal to help manage files. Clients continued to call, and more support staff was needed. Local Thorsby resident, Carol, provided critical assistance by taking over Real Estate Conveyancing particularly during the busy summer months. Maddy, a Breton graduate, was brought on as Office Manager to take over communications and oversee day-to-day operations.

Expanding to more areas and providing more services has always been a big goal for Linnée and Clayton. The initial steps of adding additional lawyers and staff have already begun in the hopes of bringing affordable legal services to neighboring communities. West of the Fifth is off to a great start, thanks to your support.

NPF polling showed that 84% of Albertans support retaining the RCMP. The Government of Alberta's Transition Study estimated that over just a six-year period costs would total over \$1.2 billion.

The Pioneer Agricultural Society works hard every year to bring the rural and urban community together by putting on special events, Heritage Day, Easter Egg Hunt, as well as maintaining the Pioneer Recreation Centre.

The **STARS** of these events are the **VOLUNTEERS** who give selflessly, their time and efforts, for our success.

Due to COVID restrictions the Volunteer Appreciation Gala was cancelled in 2020 and 2021. This year at the Volunteer Appreciation Gala the Pioneer Agricultural Society was proud to honour three very important members. For 2019, **SHELLEY DAVIS** took the award; in 2020 the honour went to **KENDRA DAVIS**; and this year for 2021 our winner was **ELAINE PRENOSLO**.

The Pioneer Agricultural Society would like to say a huge **THANK YOU** to these three hard working Ag Society members and volunteers. We also say **THANK YOU** to all Pioneer Agricultural Society members past and present who have dedicated themselves to volunteering.
