WARBURG BUSINESS OF THE MONTH

Warburg Car/Truck Wash and Bottle Depot

In August of 2021, local residents Cory and Tanya Babcock purchased Warburg Car/Truck Wash and Bottle Depot 5733-50 St from Paul and Rajdeep Mundi, who owned the business 10 years prior to them. In addition to 2 full-time jobs, you will find Cory and Tanya spending their "spare time" on site. When they are not there, you may see Shannon Flad and/or her helpers Usha, Aidan, Elicia, Ashley or Judy. The business offers wash bays (for industrial as well), a bottle depot (capable of pick ups and fundraisers), a laundromat (including industrial and folding services), propane refills, Purolator and a concessionary. The best thing about small towns is that they're one stop shopping!

Business hours are M-F 9-5 and Sat 10-5, but please reference online or our front signs to clarify various service needs for precise hours of operation.

Come say hi to Shannon and the girls and be sure to "Applaud a Depot" for a chance to win prizes! It has happened in Warburg before. We are always here to serve you and look forward to seeing familiar faces and meeting new ones!

AGES AND STAGES DEVELOPMENTAL CHECK IN *Online*

Have you ever wondered about your child's development? The Ages and Stages Questionnaire provides a fast and helpful look at how your child is doing in important areas like communication, social skills, motor skills and problem solving skills. Screening can identify your child's strengths, uncover new milestones to celebrate and reveal any areas where your child may need support. It helps you understand your child's development and know what to look for next.

The ASQ and ASQ.SE questionnaires are designed to help you monitor your child's development at regular intervals from 2 months to 5 years of age. To access these questionnaires, go to our website below.
