## Is RAC available to me?

RAC is real help, within the reach of every Albertan. It's confidential practical, and because it's virtual, doesn't require travel.

## "You're Not the Boss of Me!"

### **Understanding Resistance in Children and/or Teens**

Children are naturally inclined to resist and oppose when feeling pressured or controlled. Although the reaction is quite normal and even healthy in certain circumstances, its manifestations and impact can be highly disruptive and disturbing, making life difficult for parents and teachers. Counterwill can take many forms from negativism to noncompliance depending upon the age and personality of the child or teen. We will discuss the meaning of this deep-rooted instinct as well as the dynamics that control its existence and expression.

Dr. Deborah MacNamara is a faculty member of the Neufeld Institute, author of best selling book, *Rest, Play, Grow: Making Sense of Preschoolers (or anyone who acts like one)*, and her new children's picture book, *The Sorry Plane*.

# Warburg Senior Citizen's Club

The Warburg Senior Citizen's Club was formed and incorporated in 1971. In 1975 the building was added onto to make the present day building. Some of the original families are still represented in today's membership i.e. Mike Gruninger- son Allan Gruninger; Horst Gollthorpe – daughter Nancy Gruninger; Harry Linde – nieces Clara Gidosh and Elaine Prenioslo.

The Club is very active in the community with once a month meetings along with Soup & Sandwich-3<sup>rd</sup> Wednesday of the month (not including July and August); Quilting – every Tuesday and Thursday; Court Whist – every Wednesday. In the Fall we will be starting to have Jam Sessions once a month. We encourage any one over the age of 50 to join the organization and take part in the activities.

If you are a quilter or would like to learn and need help with quilting the Tuesday and Thursday quilters are the groups to help you. If you enjoy playing cards but aren't sure about court whist this group is very patient with newcomers and will help you along.

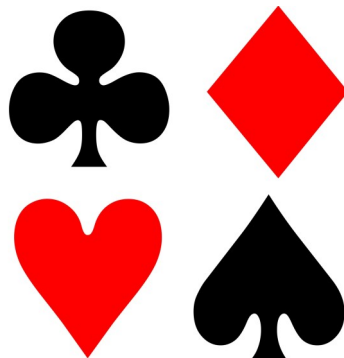

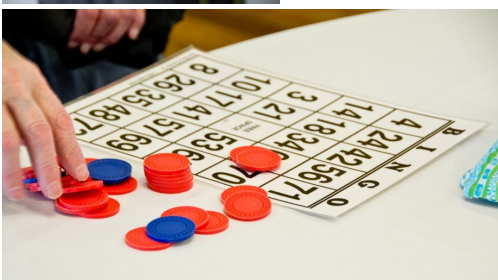

We are planning some out of town trips this summer and fall. If you are interested in the trips there will be sign up sheets at the Village office.

Tia Chi also takes place at the Drop In Centre. All of these programs are very reasonable to access. Most of them are only \$2.00 to take part.

The Centre is always available for rent—for birthdays, anniversaries, Christmas parties etc. Contact Allan and Nancy Gruninger at 780-848-7756.

If you have any suggestions, issues etc regarding the Center talk to any of the Board members: Bea Moore -president; Allan Gruninger-vice-president; Karen Babcook-secretary; Joan Sommer-treasurer; Directors- Bernie Bredin, Marta Oliver, Elaine Prenioslo, and Nancy Gruninger.

**On June 8 from 1:00 to 4:00** we will be hosting (thanks to a grant from Leduc) a street dance in front of the Drop In Centre. The band playing will be "Herding Katz". If it is raining we will move to the Center. Bring your lawn chairs, put on your dancing shoes and join us for this celebration of the good old days when street dances were popular.

# Warburg Rocks!!!

Have you noticed all the rocks in town lately? Thanks to the help of these amazing students and Christine Swartz, we were able to complete the job in front of the Cultural Centre. Other rocks are located in front of Post Office, by the Village Gnome/Fairy/Elf stump and both entrance signs. We would like the whole community to be involved in our Warburg Rocks décor. Please feel free to take one rock, paint it and put it back so others can enjoy your creativity. You may paint as many as you want. Or add one that you have already painted. It can be whatever you want as long as it is tasteful. Please remember to spray it with a coating of weather resistant clear spray to protect it.

A suggestion was to write Warburg on a bunch of them and people can take them to another community they are visiting and maybe bring one back. Or paint the name of the community visited and leave it in Warburg. If you wish, put your first name on it somewhere and date.

It's a fun way to feel like you are part of our beautiful little Village.

Also special thanks to Prins Farms for donating the black plastic to put under rocks and to Gollnick Farms for hauling the rocks to us. Thanks to all those who helped place the rocks! Special thanks to my brothers Ron and Gerry for always being willing to help me with my big ideas LOL You are all AWESOME! Some art ideas for June...Indigenous Day, Heritage Days, Pride Day.
