NEW DATES!!!

Fraud alert!

Leduc County wants to remind everyone to be on alert for various phone, internet and other scams and to educate and protect yourself against fraud. One example happening now is someone calls and claims to be from an internet, cable or cellphone service provider offering a deal that's too good to be true and asks for the victim's personal information. Once received, they can use that information for identity fraud.

If you get a call from your service provider, tell them you will call them back and end the call. Look up the legitimate phone number for the company and communicate with them directly by always making the outgoing call.

Visit www.alberta.ca/fraud-prevention to find more information on identity theft, text scams, mortgage fraud and more.

World Elder Abuse Awareness Day

World Elder Abuse Awareness Day is Saturday, June 15, 2024 – a day to help bring awareness to the importance of preventing elder abuse, the struggles some of our senior community members experience and to help identify and combat elder abuse.

Elder abuse is often committed by someone known to the victim, such as a family member, friend or caregiver. To note, emotional and financial abuse are the most frequently reported forms of elder abuse.

Some common signs of elder abuse:

- Confusion
- Depression or anxiety
- Unexplained injuries
- Changes in hygiene
- Seeming fearful around certain people
- Fear or worry when talking about money

Stop by your local Family and Community Support Services (FCSS) office to grab some information and pick up a passport card to take part in a fun, interactive game in your community from June 10 to 14 for the chance to win a prize!

This session will help you feel more confident in how to love and support a youth who may be LGBTQ and how to open the avenues of communication between the both of you.

This session will be facilitated by Terry Stroud, Canadian Certified Counsellor with Level Up Wellness Group, who has worked in many roles from the trades, to pastoring, to working in the mental health field. Terry looks to help teens, parents, and adults with whatever challenges life may throw at them.

Christine Pankewitz
Municipal Administrator

WHEREAS,

the seniors of Alberta have contributed immeasurably to the fabric of our communities through their wisdom, experience, and dedication; and

WHEREAS,

recognizing the invaluable role seniors play in shaping our society is essential for fostering a culture of respect, gratitude, and inclusion; and

WHEREAS,

it is imperative to acknowledge and honor the achievements and contributions of Alberta's seniors, particularly during a designated week of appreciation; and

WHEREAS,

June 3rd to June 9th, 2024, provides an opportune occasion to celebrate the seniors of Alberta and express our profound gratitude for their enduring legacy and ongoing contributions.

NOW, THEREFORE, I, Dwayne Mayr, Mayor of the Village Warburg, do hereby proclaim June 3rd to June 9th, 2024, as ALBERTA SENIORS APPRECIATION WEEK.

Dwayne Mayr
Village of Warburg Mayor

Dated in Warburg this 22nd day of May 2024.

During this week, let us come together as a community to honor, celebrate, and express our gratitude to the seniors of Alberta for their countless contributions to our families, our neighborhoods, and our province.

Happy Father's Day

Ways that you can celebrate Father's Day or anyone special in this role!

- Make Breakfast Together: Surprise Dad with a homemade breakfast. Let him sleep in, then cook his favorite breakfast foods together.
- Explore a New City: Turn Father's Day into a weekend adventure by taking a road trip to a nearby city. Discover local food, activities, and enjoy quality time together. Whether it's a day trip or a mini-vacation, Dad will appreciate the experience
- Have a Movie Night: Instead of the usual family movie night, let Dad choose his favorite childhood movies. Dust off that old VHS player and enjoy re-watching them together. It's a simple tradition that you can continue each year
- Virtual Lunch: If you can't be together in person, have a virtual meal. Order your favorite takeout, then FaceTime or Zoom while you eat and catch up. It's a great way to connect even from a distance
- Give a Sentimental Gift: While experiences are wonderful, don't skip the gift entirely. Choose something meaningful for Dad. Sentimental gifts, like a heartfelt card or a personalized item, show your appreciation
- Make a Craft Together: Get the kids involved by creating a Father's Day craft. Printable coloring pages are easy and fun for younger kids. You can revisit the same pages each year to see how their answers change
- Breakfast in Bed: A classic choice! Let Dad enjoy a relaxing morning with breakfast in bed. Serve his favorite meal and add a heartfelt note to make it extra special
- Go on a Cheap Day Out: Opt for experiences over material gifts. Take Dad to a local park, beach, or hiking trail. Spending quality time together is priceless
- Remember Time Is Valuable: Sometimes the best gift is simply spending time with Dad. Whether it's playing board games, going for a walk, or having a heart-to-heart conversation, cherish the moments
- Don't Overspend on Gifts: Set a budget and stick to it. Thoughtful gestures matter more than expensive presents. Consider handmade gifts or heartfelt letters to express your love and gratitude

Remember, it's the thought and effort that count. Happy Father's Day
