## December Fun Facts

December's birth flowers are the holly and the paperwhite Narcissus –a relative of the daffodil with lovely white blooms.

December's traditional birthstone is turquoise. It is considered a symbol of good fortune and success. Zircon and tanzanite are also considered to be December birthstones.

Sagittarians are known for their adventurous spirit, optimism, and love for freedom.

Capricorns, on the other hand, are praised for their discipline, practicality, and patience.
